

Performance Ink
2022/2023

Performance Ink offers additional opportunities for students to perform throughout the year in festivals and parades. These opportunities are fantastic for team building, resume building, fun, and school spirit! The fee is \$50 per performance, per student plus costuming if necessary. This fee covers the costs associated with choreography, music editing, rehearsal time, and faculty time at performances.

Fierce Ink students are REQUIRED to perform in at least ONE Performance Ink event per season.

Each event will be casted by either audition, placements, or sign up sheet and will be announced prior to each event. Each event is open to students at both locations.

Families/students must provide the appropriate tights, shoes, makeup, and accessories as determined by the directors prior to each performance.

Due to the heavy commitments and schedule restrictions of faculty and students, rehearsals will take place one night per week for three-four weeks leading up to the performance. If more than one rehearsal is missed, the student will be unable to perform and no refund will be given. Please plan and commit accordingly. Rehearsal days and times will be communicated in advance of sign ups for the event.

Anticipated Events for 2022 and 2023

September 2022 - Senior Olympics, New Jersey

September 2022 - Crafton Heritage Festival

October 2022 - New Brighton Halloween Parade

October 2022 - Thrive Dance Experience (This is a different cost. This is a day of master classes and the fee is published by the owner of this convention. Last year, it was \$160 for the day. More to come.)

November 2022 - Veterans Day Parade

November/December 2022 - 1-3 Holiday Performances at Festivals and/or Parades, TBD

March 2023 - St. Patrick's Day Parade, Downtown Pittsburgh
